DISCLAIMER

- The information given in this report is police recorded data which has been obtained through State/U.T Police. All precautions have been taken to ensure that the data is statistically consistent. NCRB has only compiled and collated the data and presented it in the form of this report. NCRB shall not be responsible for authenticity of this information. However, any discrepancy observed in this report may be brought to the notice of the Bureau.
- The suicides committed by persons self employed in agricultural activities do not necessarily means suicides committed by farmers only.
- In this report, the calculated values of accidental rate, percentage, etc are rounded up to only one decimal; hence an approximate value is used for analysis.
- Data pertains to the calendar year 2013.
- The causative factors of accidents and suicides are not being captured by the Bureau.

LIMITATION

- Projected mid-year population for the year 2013 has been used for calculation of suicides rate for States/UTs.
- Provisional population of The Population Census 2011 has been used for calculating suicides rate in 53 Mega Cities for the year 2013 due to non-availability of projected mid-year population for these 53 Mega Cities.
